**NOTIFICATION OF OPTIONS FOR RECEIPT
OF ANNUAL REPORT**

For each financial year, the Club prepares a Financial Report, a Director's Report and an auditor's report which together make up the Club's Annual Report for the year. The Club also prepares a concise version of that report.

Commencing with the Annual Reports for the year ending 31st December 2008, and beyond, the Club proposes to use the Club's website as the default method of distributing the Annual Report. However, you have the right to choose to directly receive a copy of each Annual Report.

As a member:

- A. You may elect to receive by post, free of charge, a copy of the concise Annual Report for each financial year, or a copy of the full report for each financial year.
- B. If you do not so elect, you may access the concise report on the Club's website at the address listed below.

In order to save costs to the Club and reduce environmental impact, you are urged to access reports on the website.
